

Odpowiedzi do lekcji 1 w tygodniu od 11 do 15 maja

Czytanie:

Odpowiedź na pierwsze pytanie to po prostu wszystkie nazwy opisanych sprzętów. Zaznaczyłam Wam je na niebiesko.

Odpowiedź na pytanie 2 to:

a) Avanta X desktop computer ze względu na dotykowy ekran, klawiaturę i myszkę. Jest to szybki i niedrogi komputer. Nie posiada wad.

b) Redgame PRO game controller bo jest bardzo tani i ma aż 10 gier. Nie posiada wad.

Pozostałe sprzęty mają wady są: **heavy** – ciężkie, **slow** – wolne, mają **scratches** – zadrapania, **old battery** – starą baterię, itp.

Exercise 3

1

AvantaX, Novis2000, Wordmaster Blue, Redgame PRO

2

Avanta X desktop computer, Redgame Pro game controller

3

Students' own opinions

3

Read the notices in an internet sale. Answer the questions.

1

Which makes of computer equipment are there?

AvantaX desktop computer

with 21" touch screen, keyboard and mouse. This is a very fast computer. It's great for games and school work. 500 GB storage, 8 GB RAM

Bargain price – £200

Wordmaster Blue printer

plus a set of colour and black cartridges worth £25. Good quality printing, but it's slow.

Only £15! That's a bargain!

2

Which equipment is the best quality?

Novis2000 laptop

with touch screen, touchpad and printer. This is a very light 15" laptop, but it isn't fast and the battery is old. 150 GB storage, 2 GB RAM

Only £35

Redgame PRO game controller

and 10 games. This is an old model with old games.

£5 – a super cheap price!

3

Do you think any of the equipment is a real bargain?

AvantaX laptop

This isn't a new laptop. It's five years old, and it's heavy and slow. The battery is new. 15" screen, 250 GB storage, 2 GB RAM

£95 – that's very cheap!

AvantaX 27" monitor

Great colours! There are some small scratches on the screen.

Only one year old – £70

Exercise 5

1

AvantaX monitor

2

AvantaX laptop

3

Wordmaster Blue printer (with ink cartridges)

4

AvantaX desktop computer (with 21" touch screen, keyboard and mouse)

5

Redgame PRO game controller and games

1

Client: Excuse me – what are the colours like on this?

Seller: They're very good. There are two little scratches but you can't see them when it's turned on.

Client: Oh, that's good. How old is it?

Seller: It's only a year old.

2

Client: How much RAM has this got?

Seller: It's got 2GB RAM. That's not a lot. But the battery is new.

Client: That's good. Can I try it?

Seller: Yes, of course. You can put it on that desk over there.

Client: Thanks. Oh, it's very heavy!

3

Client: Excuse me. How much is this?

Seller: It's £15.

Client: Is it a fast one?

Seller: No ... it's very good, but it isn't fast. You get all of these things too.

Client: What colours are they? Let's see – black, red, yellow, blue – that's all of them.

Seller: Yes. It's a real bargain.

4

Client: Is this a good computer?

Seller: Yeah, it's a really good computer. And it's a bargain.

Client: That's great. I want a really good computer – but I haven't got a lot of money.

Seller: Well, this one is £ 200.

Client: Oh ... that's a lot.

5

Client: Are these new?

Seller: No, they aren't. They're all ok but they're good fun.

Client: I'm not sure ... how much is it

Seller: £5 for everything. That's cheap
